

Congratulations to the 2017 Joseph Leo Mackin, Jr. Building and Driving Our Future Scholarship Program Recipients!

The Mackin Family Foundation is proud to announce the winners of the 2017 Joseph Leo Mackin, Jr. Building and Driving Our Future Scholarship Program. Every year the board awards scholarships to family members of Interlock Industries subsidiary employees. The awards are granted to current students who are about to embark on their post high-school education. The board awarded a total of \$15,000 in scholarships to five outstanding students, all of which have distinction not only in their studies, but have also strived toward social responsibility and philanthropy. This year's scholarships were presented to Adam Hoover, Steven Abramowitz, Jeanna Ellen James, Nicholas Patrick Lanning, and Jacob S. Pennington. On behalf of the entire organization, we congratulate our proud recipients.

Adam Hoover—son of Tammy Hoover, Customer Service Representative, Metal Sales Manufacturing Corporation, Deerlake, PA. Adam is a two time recipient, he currently attends Philadelphia University in Philadelphia, PA. Adam is working on his bachelor's degree in Architecture. Besides his academics, Adam is very involved on campus and serves as the Programs Coordinator for the Office of Student Engagement. Through his role he partners with multiple offices on campus to help engage the students in the community and helps plan some of the biggest events for the university.

Steven Abramowitz—son of David Abramowitz, General Manager, Metal Sales Manufacturing Corporation, Woodland, CA. Steven is a first time recipient and will be studying mathematics this fall. He is one of the most advanced math students in his school, he finds watching the numbers fall into place as he solves equations satisfying.

Jeanna Ellen James—daughter of Jeff James, Procurement, Yellow Ambulance Division, Owensboro, KY. Jeanna is a two time recipient continuing her degree at Brescia University, Owensboro, KY. She is a Pre-Law and History double major and has maintained a perfect 4.0 GPA. She has prepared for her law profession by interning

for the Circuit Court Clerk of Ohio County and by working with a well-known law firm in Owensboro as a runner.

Nicholas Patrick Lanning—son of Patrick Lanning, Marketing Manager, Metal Sales Manufacturing Corporation, Louisville, KY. A first time recipient, Nicholas will be attending the University of Kentucky in Lexington, KY this fall. He will be pursuing a degree in Electrical Engineering. While most high school students dread mathematics, Nicholas took a keen interest in the subject. He has competed in the Moody Mega Math Challenge where he and his teammates spent fourteen consecutive hours working on a hypothetical mathematical modeling problem.

Jacob S. Pennington—son of Clyde Pennington, Territorial Sales Manager, Metal Sales Manufacturing Corporation, Sellersburg, IN. Jacob is a first time recipient and will be attending Purdue University in Lafayette, IN. He will be beginning his bachelor's degree in Computer Science. Jacob has achieved a 3.5 or greater GPA for 7 straight semesters and is on track to graduate high school with a Core 40 diploma with academic honors.

Please join us in congratulating our five bright students in their quest for excellence in education. Each will be continuing the higher education journey in the upcoming fall semester. Within the Interlock and Mackin family, we recognize how our employees contribute to our success and how education impacts our future. We strive to have a positive effect on the lives of this year's recipients as they plan for their futures and take advantage of the benefits of higher education. We wish them the best of luck as they embark on the new phase of their lives.

To apply for next year's scholarship, contact your Human Resource Manager for criteria and an application. We look forward to assisting our Interlock Family members in their pursuit for excellence in education, social responsibility and community involvement.
